American Education Week

Henry B. Pack, Mayor of the Town of Appomattox, is pictured above signing a Proclamation declaring October 22-28, 1972, to be American Education Week and urges all citizens to reaffirm their commitment to make education the nation's top financial and societal priority and to assist our schools in the process of providing the best possible education for all.

The Appomattox County Schools are joining with all schools systems in the nation this week in observing American Education Week. Some schools in the county are inviting parents in for a visit and one school is planning an open house type of get-together with parents.

Young Farmer Forestry Judging Contest Set

The 1972 Southside Area Young Farmers of Virginia Forestry Judging Contest will be held near the Amherst County Senior High School Friday, October 27.

Young Farmer teams from fourteen counties have been invited to participate in the annual event. The winning team will represent Southside Virginia in the state contest in November.

The contest will be made up of tests in estimating board feet, volume of standing timber, tree identification, timber stand improvement, determining tree values and woodland management.

C.B. Feagans, Jr., instructor of agricultural education in the Amherst County High School, is in charge of local arrangements.

DOG RABIES CLINIC

The Appomattox County Health Department announces there will be a dog rabies vaccination clinic held on Thursday, November 2, 1972, from 2:00 p.m. to 4:00 p.m. at the Fire House in Appomattox, Virginia. The fee for this clinic will be $2.00 per dog.

Last Chance To Practice Voting

According to the Appomattox County Electoral Board, there are just two more chances for you to practice using the new voting machines that have arrived and have been set up at the Court House Precinct.

Today, Thursday, October 26, and Saturday, October 28, will be the last two days that the Court House will be open for the purpose of making the voting machines available so that persons may go by and learn how a voting machine operates. The Court House will be open on Thursday from 7 to 9 p.m. and on Saturday from 3 to 5 p.m.

The Court House Precinct is the only precinct in the county that will use the voting machines this fall. All persons who vote in this precinct and who have not already been by the Court House to practice voting are asked to do so. The automatic voting machines are easy to use, with only three simple steps to voting.

THE GENERAL REGISTRAR's office will be open each Monday through Friday from 9 to 5 p.m. to assist voters with absentee ballots. The office will also be open on Sat., Oct. 28th and on Sat., Nov. 4, for the same purpose.

BLOODMOBILE COMING NOV. 28th

The Bloodmobile will be coming to Appomattox on Tuesday, November 28th. As usual, it will be at the Liberty Baptist Church from noon until 6:00 p.m.

The quota for this visit will be 99 pints. We need to make up for the 4 pints we were short on the last visit.

Appomattox County must get 95 pints of blood donated at each of the 4 visits during the fiscal year.

Appomattox County Rescue Squad Tops $10,000 Goal

The Appomattox County Rescue Squad had open house on Sunday afternoon, September 22nd, in observance of their Tenth Anniversary. Crew members and friends are seen talking around the attractively decorated refreshment table. Ten lighted candles denoted the ten years that the Appomattox County Rescue Squad has been serving te people of this county.

1972-73 Fund Drive Big Success

The 1972-73 Annual Fund Drive of the Appomattox County Rescue Squad officially began October 1st, with squad members and volunteers beginning their door-to-door canvass of the town and county residents.

A goal of $10,000.00 was set for this drive and the slogan **"Give So More Will Live"** was adopted.

..... And so the people did give! The Appomattox County Rescue Squad has topped the goal of $10,000.00 for the 1972-73 Fund Drive. According to Mrs. Nellie Paulette Almond, Finance Chairman for the Fund Drive, as we go to press, a total of $12,428.59 has been donated to the local squad, with other contributions likely to come in.

An unofficial breakdown of contributions follows: Town of Appomattox, $4,125.79; Pamplin, $1,449.05; Red House, $954.02; Evergreen, $1,162.61; Spout Springs,, $886.77; Oakville, $1,037.43; Vera through Hixburg area, $1,486.64; and contributions mailed in from various businesses and citizens, $1,326.28.

A proposed budget was set up and is as follows: General Budget, $7200.00: Insurance, $1,800.00: Rain and Foul Weather Gear, $1,000.00; Boat, Motor and Trailer, $1,000.00 and New Ambulance (plans are to replace the original 1962 ambulance) $4,000.00. The total of the proposed budget amounts to $16,000.00.

Since the ACRS was first organized in 1962, the citizens of Appomattox County have always supported this fine organization made up of volunteer workers always ready to assist the people of the county whenever needed and to serve in every way possible.

When the citizens of a county respond as the citizens of Appomattox County have this year, we feel it is a definite indication of the confidence the people in our county have in the volunteer members of the Appomatox County Rescue Squad and in the service they render. With the backing of the good people of Appomattox, Squad members feel that they can continue to insure the type of service they are noted for in this county.

In their door-to-door canvass, you may have been missed when the Resecue Squad members came around your way. If so, and if you would like to make a contribution to this worthy cause, please mail in your donation to the **APPOMATTOX COUNTY RESCUE SQUAD**, Appomattox, Virginia 24522.

On Sunday afternoon, October 22nd, in observance of their Tenth Anniversary, the Appomattox County Resecue Squad held an open house from

County Families Do Less Moving

Residents of Appomattox County apparently appreciate their community. They feel that the grass is greener right where they are.

Their record shows that they do less moving about from house to house and from place to place than people in most parts of the country.

The findings are based upon figures released by the Department of Commerce, drawn from data gathered during the last census.

The purpose was to determine the extent of internal migration in the United States and to discover how often people pull up their stakes in one location to take residence somewhere else.

Nationally, the picture appears to be one of high mobility. In the period of the past year alone, more than 36 million Americans, nearly one out of every five in the population, moved to different addresses.

Appomattox County residents are less transient than that. A large proportion of them were found to be living in the same houses that they were occupying five years before.

The number of local people, over age five, who did move during the five year period totaled 2,743. Of these, 2,032 merely changed to other locations within the county. Another 711 came in from other areas to take up local residence.

As to the number who may have left the county to live elsewhere, no figures are available.

What it boils down to is that,

Concord Squad Answered 19 Calls In Sept.

During the month of September, the Concord Rescue Squad answered a total of 19 emergency calls, treating 33 persons. They spent 62 manhours in answer to these calls and traveled a total of 594 miles in response.

A breakdown of the calls is as follows: Poison berries, 1; auto, 4; general illness, 3; heart patients, 2; cut hand, 1; sprain, 1; eye injury, 1; breathing difficulty, 1; fall, 1; facial injury at residence, 1; attempted suicide, 1 and stand by at 2 Little League Football games.

On September 8, four young boys came into the crew headquarters at Thomas Terrace and complained of being sick. Further investigation by Bob Burrill disclosed that they had eaten some sort of berries. A call to the poison control center at Lynchburg General Hospital resulted in the boys getting a dose of Ipecak. They responded to the treatment very well and returned to their homes in much better condition and much wiser.

Twelve persons were treated at the two Little League games. Mostly as the result of bee stings. Normal scuffs and bruises accompanying football games was light.

The Concord Resecue Squad completed plans for their fund raising campaign, which began October 1st, and hopes for a successful campaign.

Color pictures print darker than the original color and the results are not satisfactory in the least. We are always happy to have you bring in pictures, or we will be glad to try and take pictures of you whenever possible, but in the future, please take black and white pictures if you would like them used in the TIMES-VIRGINIAN.
